Tradition Demi-sec

The softer side of sweetness

This is a demi-sec version of the Tradition cuvée: a sweet, fruity and light wine with a honey-infused finish.

Tasting

LOOK: Light gold color with beautiful golden hues.

NOSE: Expressive nose of white flowers, honey, vanilla and quince.

MOUTH: The mouth impresses with its fresh attack and an acid structure. We find pear and golden apple aromas that highlight a honeyed final.
